ProVia Aluminum Storm Door Tax Credit Certification

This manufacturer's certification statement is for product purchased and installed from **January 1, 2009 through May 31, 2009 only**. Products purchased and installed on or after June 1, 2009 will require a different manufacturer's certification statement that is available on our website link: www.proviadoor.com/taxcredits

This manufacturer's certification statement provides the documentation needed to receive an energy tax credit for ProVia Aluminum Storm Door as defined by IRS Notice IR-2009-44 Section 1142 (dated 04-22-09) and the *American Recovery and Reinvestment Act of 2009*.

How to Qualify for the 2009-2010 Tax Credit on Items Purchased from January 1, 2009 through May 31, 2009:

1. Purchase and install qualifying products beginning January 1, 2009 through May 31, 2009. Tax credit is for cost of product only - it does not include installation costs.
2. Taxpayer must have this Manufacturer's Certification Statement to qualify - it is a signed statement from us certifying that the product listed qualifies for the 2009-2010 tax credits. Taxpayer must keep a copy of this certification statement and purchase receipt for their records but do not have to submit a copy with their tax return.
3. Tax credit is 30% of product cost or a maximum amount of \$1,500.00 over a two year period for 2009 and 2010.
4. Improvements made in 2009 will be claimed on your 2009 taxes (filed by April 15, 2010) using the IRS Tax Form 5695 (2009 version).
5. ProVia Aluminum Storm Door must be installed in an opening with an entry door and must have a glass sash in the storm door.

Manufacturer's Certification Statement

ProVia Door certifies that all ProVia Aluminum Storm Door models listed in this statement are eligible building envelope components for the 2009-2010 tax credits listed under the *American Recovery and Reinvestment Act of 2009*.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
